

Inland Northwest Council Club Rebate Policy

Each Camp Fire USA Inland Northwest Council club is highly encouraged to participate in the Candy Sale Fundraiser which is held in February/March of each year. This fundraiser is an easy way for clubs to earn money for service projects, awards, end-of-year parties, etc.

If a club member sells fewer than 75 packages, the club will earn .20 cents per package on that member's sales.

If a member sells 75 packages (Fair Share) or more of candy, the club will earn .35 cents per package on that member's sales.

Club Rebate checks will only be distributed to clubs that have turned in **all** outstanding candy and money. If a member of the club has outstanding money or candy, the club rebate check will be held until all outstanding Camp Fire candy or money is returned.

In the event the leader of the club is unable to retrieve outstanding candy or money from a club member, the value of the outstanding candy/money will be deducted from the Club Rebate check. If the value of the outstanding candy is more than the club rebate, the club will not receive their rebate. To help prevent this, club candy chairs must be sure to give sellers only ½ of their order until money is turned in. Then the candy chair may distribute the rest of the candy ordered. For new sellers with large candy orders, the club candy chair may want to consider giving them less than ½ their order (as long as they have enough candy to sell the first weekend).

NOTE: Individual awards are still awarded to members of the club.

ELIGIBILITY REQUIREMENTS:

To be eligible for club rebate each club must meet the following criteria:

- Have 2 adults registered in the club.
- Have 2 youth registered in the club.
- Register by December 1st.
- Submit Club Annual Financial Report of previous school year (2006-2007) *For new clubs, please provide an outline of the curriculum based activities you plan to complete over the next year, minimum of 5.

LEADER / CO-LEADER ACKNOWLEDGEMENT:

I have read and understand the Club Rebate Policy above and agree that if each eligibility requirement is not met my club will not be eligible for a Club Rebate during the Candy Sale Fundraiser.
