Delay of Bus and/or Boat:

In the event of delays, we will be in communication with the Camp Fire USA office. Road construction and traffic are generally the cause of delays, but it can be merely the time it takes to change campers from the boat to the bus and move the luggage! Depending on the location of the delay (bus and/or boat), a staff person will be stationed at the location(s) to inform parents of the situation and the estimated time for the bus/boat to arrive.
