If you are brand new to Camp Fire USA Inland Northwest Council:

Create Online Account

Please create an online account in your name and add yourself as a future participant. This will allow the Registrar to register you internally.

2. Go to www.CampFireINC.org
3. Under the Clubs tab, click on **Register for Club**.
4. Click on the link to register.
5. At the next screen, in the upper blue bar, click on **my account**.
6. Toward the bottom, click on **Create an Account** and follow the instructions.
7. Click on **my account** again and answer the rest of the questions (address, phone, emergency contact, etc). Click on **Return to My Account**.
8. Click on **Add a New Participant to My Account**. Enter your name again, date of birth and gender for yourself, and then click **Add Participant**.
9. Click on **logout** in the upper blue bar.
10. Be sure to save your username and password somewhere you'll remember.
11. Then go to the top "registration information" section and follow the instructions. This is how our registrar knows you filled out the profile. She will get you registered from that information.

Once the Registrar has input this information and added you to the Club, you'll receive a confirmation email. **Ignore the balance owing**. She will credit your account with complimentary membership.
